The Ch[a]os Theory and Love's Multiverses

ISBN 978-621-8006-86-7

Anj CP once again takes us into the realm of feely and mushy stuff with her second anthology of love poems, entitled "The Ch(a)os Theory and Love's Multiverses." This time, however, the readers are in for a new surprise— with a trip to the black holes and different dimensions of the sometimes chaotic but still wondrous experience called "love."

Love Talaga

ISBN 978-621-8006-46-1

This collection of honest and passionate love poems presents 50 heartily written pieces that focus on different phases and faces of amorous love. The poems feature moments of openness as well as hurt and heartbreak expressed through the voices of different personas. Perfect for when you're in love or in the mood for something romantic, the book speaks to readers through verses that are written with a good balance of humble insight, appealing imagery, and the right amount of sass and drama that will surely strum your heartstrings.
